

# WAYS TO REDUCE HOUSEHOLD HAZARDOUS WASTE

**City of Phoenix**  
PUBLIC WORKS DEPARTMENT

- 1 Avoid generating HHW**  
Look for less toxic or non-toxic alternatives.
- 2 Purchase smart**  
Purchase only the amount you need to avoid leftovers.
- 3 Give away leftover products**  
Ask a friend or family member if they can put your leftovers to use.
- 4 Dispose HHW properly**  
Schedule a collection at [phoenix.gov/hhw](http://phoenix.gov/hhw)

## Other Ways

### Aerosols

Give to a friend. If container is empty, recycle it at a scrap metal recycler.

### Paint

If there is a small amount of paint left, remove lid and add hardening agent. Once solidified, it can be safely disposed of in trash container. If paint can is empty and clean, bring to a scrap metal recycler for recycling.

### Electronics & small appliances

Bring to your local electronics retailer for recycling.

### Motor oil

Bring to your local auto retailer for proper disposal.

### Tires & large appliances

Bring to transfer station for recycling. For more information, visit [phoenix.gov/transferstations](http://phoenix.gov/transferstations).
